National News—1965

1 *A Wave for Friends*—Cuban refugees waved to Cuban exiles on shore as their coast guard cutter approached Key West last fall. Such emotional scenes occurred frequently after Castro announced his "open door" policy, allowing certain groups of Cubans to leave his dictatorship.

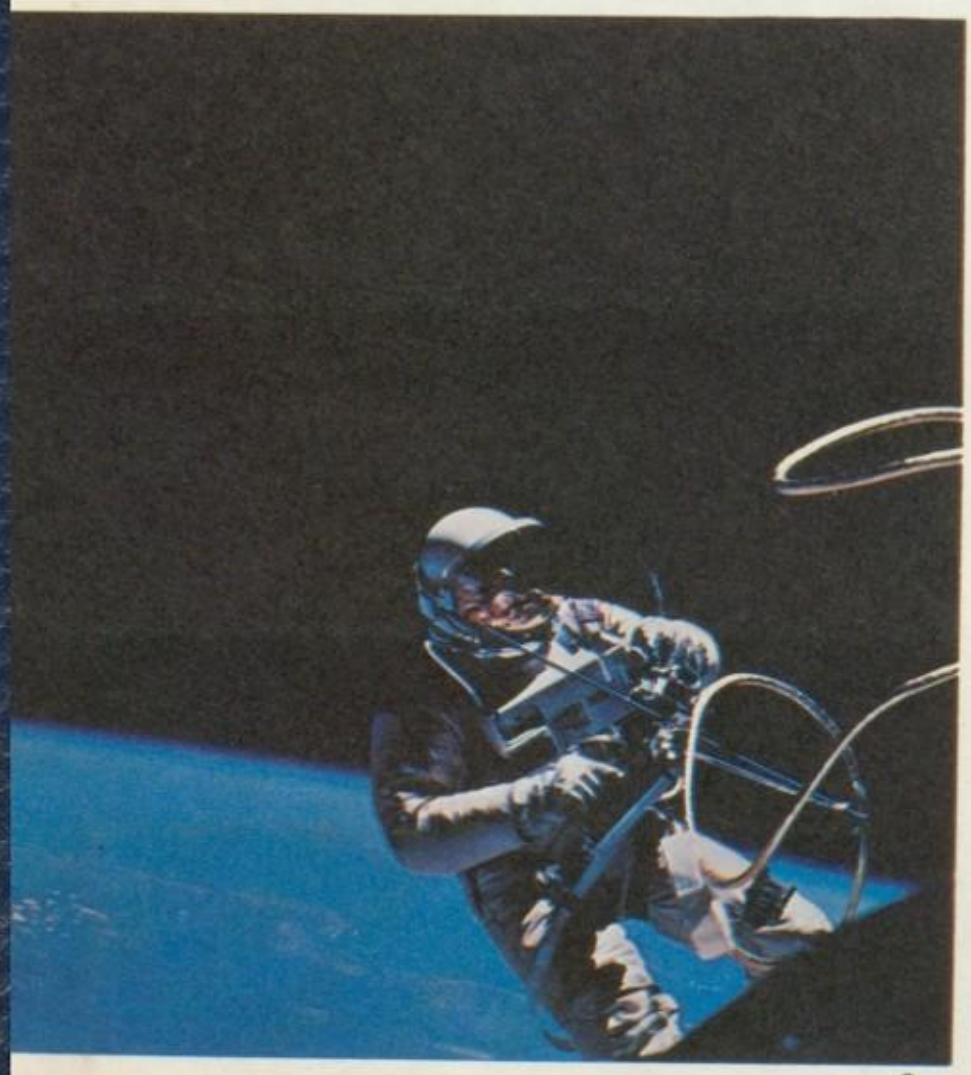
2 *Pioneer in Space*—Astronaut Edward White stepped from his Gemini IV space capsule and into the void of space last June. Maj. James McDivitt, his companion on a 3½-day orbital flight, had to coax White back into the capsule after he had traveled 20 minutes suspended from Gemini IV. Gordon Cooper and Charles Conrad were the next space twins to orbit the earth. They completed their 8-day flight in Gemini V during August.

3 *Medicare Bill Signed*—President Johnson signed the Medicare Bill into law July 30 with former President Truman at his side. Witnessing the event that had far-reaching effects on Social Security benefits for the elderly were (left to right) Lady Bird Johnson, Vice President Humphrey and Bess Truman. The ceremony was held in Truman Library in Independence, Mo.

4 *Temporary Mood*—Dodgers Manager Walter Alston's mood of dejection after the Minnesota Twins won the sixth World Series game did not last long. The Dodgers emerged victorious in the 7th game and captured the pennant.

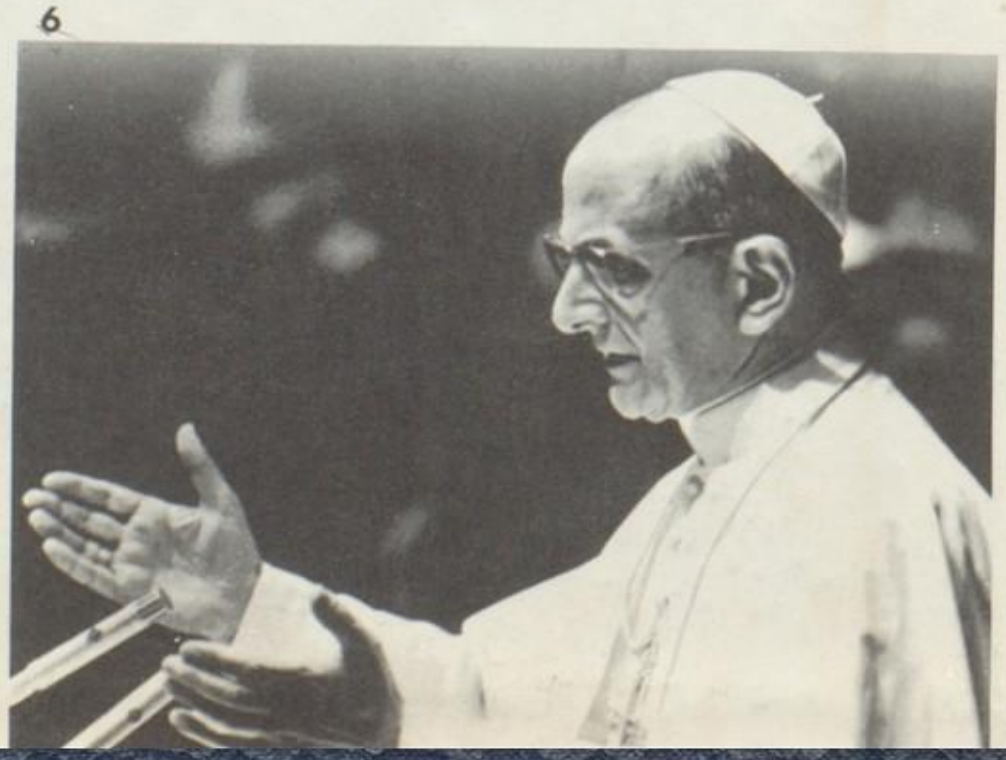
5 *Double Space Spectacular*—Astronauts Wally Schirra and Tom Stafford got this view of the Gemini 7 spaceship December 15 while traveling in their Gemini 6 craft for their historic rendezvous adventure. Schirra and Stafford rode their red-hot craft back to earth the following day, but Gemini 7 completed a 14-day mission before its re-entry. Making the longest and most significant voyage in space in Gemini 7 were Frank Borman and James Lovell, Jr.

6 *Plea for Peace*—Pope Paul VI stood before the United Nations General Assembly in New York on October 4 to deliver his plea for



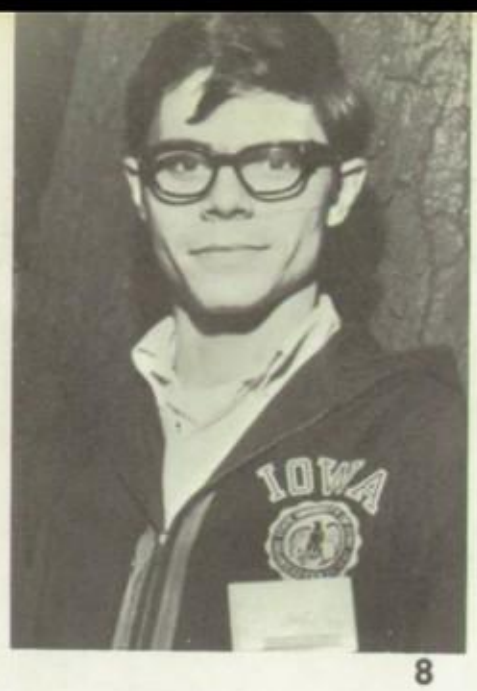
2

3



6

7



8

9

world peace. His unprecedented, one-day visit in the U.S. was the culmination of plans by men of all faiths.

7 *After Surgery*—President Johnson was photographed in a reclining chair at Bethesda Naval Hospital the day after his gall bladder operation on October 8. He conducted the work of his office from his hospital room and his Texas ranch during his recuperation.

8 *Proud Student*—Charles Craig, 19-year-old freshman at Iowa university, demonstrated his criticism of draft-card burning incidents by displaying his draft card on his jacket with the note: "I'm a draft card carrying American and proud of it." Our role in the Vietnamese war sparked the incidents.

9 *Blackout*—The glittering metropolis of New York City was thrust into darkness on November 9 by a massive power failure affecting hundreds of miles along the eastern seaboard. City residents and commuters were stranded in offices, railroad and subway stations for hours before service was restored. The crippling condition was caused by a faulty relay at a Canadian generating station near Niagara Falls.

10

10 *New Ambassador*—Arthur Goldberg was named U.S. Ambassador to the United Nations by the President after the death of Ambassador Adlai Stevenson on July 14 in London. Goldberg was secretary of labor under President Kennedy and a U.S. Supreme Court Justice when named to the U.N. post.

11

11 *Startling Fashions*—Bold and contrasting blocks of color were the youthful fashion note of 1965. The eye-catching designs even extended the length of campus stockings worn with the costumes.

12 *Royalty on Tour*—Princess Margaret and her husband, Lord Snowdon, arrived in New York on November 4 for a whirlwind tour of the U.S. During their visit, they took time out for fun-filled activities such as a ride on a cable car in Frisco and gala parties in Hollywood and the nation's capital.

Foreword

THE 1965-1966 SCHOOL YEAR IS NOW ONLY A MEMORY. IT WAS A YEAR OF TRIALS, TRIBULATIONS, HAPPINESS, AND JOY. WE, THE STUDENTS, WISH TO THANK THE FACULTY, AND MOST OF ALL OUR FELLOW CLASSMATES FOR A SUCCESSFUL YEAR. IT IS OUR HOPE THAT WE LEAVE IN THIS BOOK, AN EVERLASTING JOURNAL OF THE YEAR'S EVENTS. MEMORIES ARE TO BE CHERISHED; MAY THIS BOOK SERVE AS A STIMULUS TO PRESERVE THE MOST WONDERFUL YEARS OF OUR LIFE.

Dedication

The 1966 AQUILA is dedicated to Mr. Gerald Hendricks, who has loyally and industriously served the students and faculty of North Central for several years. Mr. Hendricks has fulfilled the positions of teacher and principal and has frequently employed a stable and steadfast hand in each one.

As this school year comes to a close, we look back and remember the events that took place these past nine months. Some of these events were joyful, but others loom in our minds as being frightening.

The "cold war" in Viet Nam has been in the fore ground erupting with bits of horror all year. To many people, the draft situation was a problem. Some men were arrested by the United States government. They paid men to make false papers that said their sons had been in the reserves. This arroused quited a bit of public opinion for and against the draft.

The United States had quite a few visitors this year. They included Pope Paul, Princess Margaret, and Madame Gandhi. All these people came to the United States and attempted to win the help of the United States in India's problem of famine.

New York city had a blackout. People were kept in elevators, subways, and various other places. This black-out arroused a lot of concern around the country. Some experts felt that if this large of an area could have a blackout, the whole country could have a blackout. There was an attempt to study the problem.

During Christmas a truce was held in Viet Nam. This worked quite well, but one truck ran into some hidden mines. This incident injured some men. The officials hoped that this could be the basis for permanent negotiations, but the war continued as it had before the truce.

President Johnson appointed a new cabinet member. His name is Robert C. Weaver and he is the head of Housing and Urban Affairs. This is the first time a Negro has been appointed to a cabinet office.

This winter the midwestern states were hit by a large snowstorm. In some places the snow almost buried telephone poles.

February 2, the United Nations Security Council decided to consider the war in Viet Nam. There was a heated debate staged by the United States and the USSR. After the debate was considered, the fifteen menbers of the council voted. The results were: nine for the measure; two against it, and three abstaining.

The United States sent up Gemini 6 and Gemini 7. These contained as personal: Wally Schirra, Tom Stafford, Frank Borman and Jim Lovell. These men and computers maneuvered the two space craft within six feet of each other. The mission was a very successful one for the United States.

In Hillsdale, Michigan this spring, some unidentified flying objects were spotted. After this was reproted there was a rash of reports on unidentified flying objects. Some authorities said that the objects spotted in Hillsdale were illusions caused by swamp gas.

In the sports world Sandy Koufax and Don Drysdale decided to hold out for some more money. After several weeks the manager gave in to them and they both received 50-60 per cent raises.

Miss Peggy Fleming won the world's figure skating championship this spring.

The Toledo area experienced a flood this spring. Experts said it was caused by a large amount of rain and high speed air currents. They said the air currents were so strong that they made the water in Lake Superior and Lake Michigan back up into lake Erie.

This year included many events that I have not used, but I hope that I have touched on most of the main high points.

In Memoriam

Darlow Brandon

Always A Smile

Though he was with us only a short while,
We grew to know him;
His friendliness, his smile.

He had many pleasant features
Which with us he would share;
His willingness to help, his
flaming red hair.

He loved us and never let us down,
We too loved him for there was
Always a smile and never a frown.

But God has his way,
So just for a while,
He took our friend, and he took
our smile.

Someday when sunlight turns to dark,
And on our journeys we embark,
We'll see our friend, he'll still
have a smile.

The Junior Class this year elected as their officers Ken Coy, President; Ron McCrea, Vice President; Terry Douglass, Secretary; Ted Downing, Treasurer;

John Widmer, Reporter. For their money making activities they had a skating party party and a record hop. They also took care of the concessions during the ball-

games. For their play the Juniors did "How Green Was Her Boyfriend." They ended their activities by giving the Junior-Senior Banquet, which had as its theme "Sayonara."

Varsity Has Rebuilding Year—

Future Looking Brighter.

Varsity Baseball

As far as winning baseball at North Central goes, this year wasn't too successful. This year can be called a rebuilding year. In the future baseball prospects look very bright. Coach Conrad started his 65-66 season with a young squad. In the fall season North Central finished third in the league. Much of the credit is given to strong hitting in the middle of the line-up and clutch hitting when it was needed.

Coach Conrad started his spring training around the first of April. The pitchers and catchers started a week earlier. Practice was held in the gym for about two weeks due to the terribly wet weather. The Eagles took every chance there was to get on the diamond to loosen up.

Coach Conrad scheduled some tough opponents for the Eagles. The pitching staff had their work cut out for them. Relying on two sophomore pitchers for most of the mound duty, he expected some strong hitting from his fielders.

As the season started for the Eagles things looked good as they downed their first foe. Then things seemed to just the opposite. Eagle hitting was good, but errors and other mistakes always seemed to be their problems. In tournament action, the Eagles were eliminated in the first game ending the season for the seniors on the team. Coach Conrad then turned to his undergrads to work for next year.

Leading the Eagles in hitting for the year were: Dave Moore, .416, Bob Repp, .380, Gary Oxender, .339, Dick Greek, .320, Ken Coy hitting, .315, and Ric Oxender, .304.

Leading pitcher was Steve Bales who won three and lost six. Steve had a fine strikeout record in striking out 43 in 63 innings.

Two people made the All-County Baseball Team this year, Dave Moore and Bob Repp.

Junior Varsity Baseball

The Junior Varsity team was new and inexperienced, as not much time was given to help these boys until the Varsity was eliminated. After the elimination and with a litlle work the Junior Varsity boys looked good. With graduation, several sopts will need filling around the diamond and there are capable players to do this coming up from the Junior Varsity Squad.

Varsity Short On Experience—

Long On Desire

North Central opened the season with Fayette. Three boys scored in double figures, Barry Rubel had 16, Ric Oxender had 15, and John Widmer had 12. Fayette won 84 to 62.

North Central came right back and dumped Metamora 76 to 71, in a very good game. Ric Oxender hit the basket for 33 points to lead the Eagles. Dave Gunn played a very good floor game for North Central.

Lyons came to North Central with a very tough team and defeated the Eagles, 76 to 63. Ric Oxender added 22 points and Barry Rubel added 17 points to a losing cause.

North Central then moved on to Hilltop who defeated the Eagles 73 to 60. Ric Oxender again lead the team with 19. Burt Fiser did a fine job on the boards.

North Central was then defeated by Hicksville, 75 to 54. Oxender and Rubel led the attack again with 1o and 12 points respectively.

The Homecoming Game was against Montpelier. Montpelier came to the Eagles' den with blood in their eyes, but they went home with mud in their eyes by the score of 74 to 67. Oxender canned 23 and Widmer gained 16 for the victory and the Homecoming Queen.

Stryker proved too tough for North Central at the home court, as they trimmed the Eagles 86 to 6O.

The Eagles played Delta for the first time and were defeated by a large gap - 97 to 69.

North Central then traveled to Edgerton to take on the winless Bulldogs and left the Bulldogs winless by the score of 66 to 63. David Moore played one of the finest games of his high school career with 11 points and numerous good passes. Oxender and Fiser led the team in scoring with 20 and 77 points.

The Edon Blue Bombers then shot down the Eagles 57 to 45 in a slow, deliberate game. Burt Fiser added 14 points for the Eagles.

North Central then moved into the Holiday Tournament at West Unity meeting Montpelier. After trailing by as much as 25 points in the third quarter, North Central caught the Locos and tied the score with just 30 seconds to go. A bad pass was the downfall of the Eagles as Montpelier went on to win 70 to 69.

The next night North Central was trampled by Hilltop, 88 to 46. A great let-down was experienced in this game after the Montpelier defeat.

Hilltop then visited the Eagle nest and North Central really put a scare into the Cadets. North Central led at the half by a 39 to 25 score, but the Cadets superior height and scoring power caught up and passed the Eagles 72 to 61. Burt Fiser had 17 points for the Eagles in defeat.

North Central then took on the State Basketball Team of Archbold and held them for half a game before giving in 84 to 58.

The Tinora Rams proved to be hard on the Eagles also to the tune of 83 to 45. Tinora's height advantage was about 4 to 5 inches per man for the small Eagles.

Edgerton came to North Central court looking for their first voctpr of the year and they went home with that victory, 86 to 68. Burt Fiser played one of his best games of the season , scoring 23 points and grabing numerous rebounds.

Edon defeated the Eagles for the second time 75 to 62. Fiser scored 22 and Oxender had 20 for the Eagles. This was a very close game until the last minute and one half.

North Central then played one of their best games of the year, but fell to defeat at the hands of Stryker, 63 to 52. Barry Rubel played the best game he had all season.

Waldron, Michigan, then came to Ohio to play a little basketball, but North Central played a lot more to defeat Waldron 68 to 50. Balanced scoring was the main factor in this victory. Moore had 10, Oxender and Fiser each had 11, and Rubel led with 13.

After a long ride to Antwerp, the Archers shot down the Eagles 90 to 68. This was another close game until the third quarter let-down by the Eagles.

North Central then drew what turned out to be the best team in the sectional and supersectional the Stryker Panthers. The Stryker boys had a lot of trouble with the Eagles, but finally downed them 55 to 38.

Several seniors played their last basketball game for the Eagles that night. They were Dave Moore, Ric Oxender, Burt Fiser, Dave Gunn, Roger Heller, and Bob Haines. Good luck is extended to these boys for their future plans.

Making all county team this year was Ric Oxender and Burt Fiser. Congratulations go to these boys for their outstanding abilities.

County Meet Returns First In 20 Years

Track

As spring time rolls around sports fans usually turn toward baseball at North Central, but this year track and baseball were given equal time by several boys. Some boys tried only one sport either baseball or track. This year a record amount of future cindermen reported to track practice called by Coach Miller.

This is the first year that a league was formed, but due to non-participation by some county schools, it was dropped until next year. Also, new to this area was a County Meet held at Montpelier.

Coach Miller had four seniors, two juniors, four sophomores, and two freshmen to make up North Central's track team. Most of the experience lay in senior Jim Case and sophomores Barry Pubel and Norm Fiser.

In their first meet with Fayette and Edon, North Central finished third with point honors going to senior Dave Moore as he had 15 points. He gained firsts in the hundred and the two-twenty yard dash and was on the winning 880 yard relay team.

The second meet found North Central on the bottom of the score sheet as they tried their luck against Hilltop. Things stayed even until the distance running started and this proved to be Hilltop's strong point. Sharing point honors were Dave Moore and Norm Fiser. Moore had a first in the hundred and a second in the two-twenty. Fiser had a first in the two-twenty and second in the hundred and both boys were on the eight eighty relay team which set a new school record. Marshall Landis also gained a first in the two-mile.

The next meet against Edon found North Central losing to Edon 72 to 52. This time the field events and distance running spelled North Central's defeat. Point honors went to Jim Case with 26 points. Jim placed in every event he entered. Norm Fiser was second with 17 points.

North Central went to Fayette to try their luck in competition with the Eagles. Their luck didn't hold true. They were beaten to the tune of 89 to 35. Jim Case put in a vain effort and took scoring honors.

In the county meet North Central finished last, but gave Stryker a close race. Holding the county record in the hundred yeard dash at 10.9 and the two-twenty at 23.5 is Norm Fiser. Picked as outstanding track men were Norm Fiser and Jim Case.

The outlook for track at North Central is bright. Norm Fiser has two years left and some bright prospects are coming up in the underclassmen. Next year when the track spikes are dug out, North Central will be in there trying hard again.

World News—1965

1 *Humanitarian Dies*—Dr. Albert Schweitzer died in September at Lambarene, his primitive hospital at the African jungle outpost of Gabon. The famed physician, who reached his 90th birthday in January, worked most of his life to relieve the suffering of jungle natives.

2 *Queen Speaks*—Queen Elizabeth II dedicated the John F. Kennedy memorial at Runnymede, England on May 14. Mrs. Kennedy is seated to the left and Prince Philip to the right of the queen. Carolyn Kennedy is seated between the queen and her mother, and Sen. Robert Kennedy stands behind Mrs. Kennedy.

3 *Miss Universe*—The reigning queen of beauty in the universe during the year was a representative from Thailand.

4 *Bosch Returns*—Former Dominican Republic President Juan Bosch was vehement in his address at a rally September 25, shortly after his return to Santo Domingo.

5 *Wins in Run-Off*—Charles deGaulle polled 55.2 per cent of the vote in a run-off election against Francois Mitterrand on December 19. The vote gave DeGaulle the French presidency for another 7 years, but the strength of the Socialist-Communistic candidate corroded the popularity of the 71-year-old president..

6 *Agrees to Cease-Fire*—Pakistani Foreign Minister Zulfikar Bhutto (right) agreed in the U.N. Security Council on September 22 to accept the Council's cease-fire order in the undeclared war between Pakistan and India. Pakistan's announcement came after India had agreed to the order.

7 *Abortive Coup Fails*—Indonesian President Sukarno was toppled from power for a brief 20 hours last fall. He gestured at a cabinet

6

7

8

9

meeting on October 6 during his first public appearance after the coup, which seriously shook his one-man rule.

8 *Soviet Winner*—Russian author Mikhail Sholokhov was vacationing in the Ural region on October 18 when he heard he had been awarded the 1965 Nobel Prize for Literature. The December award ceremony was held in Stockholm.

9 *Return to Desolation*—Hundreds of families returned to the wreckage of their homes, destroyed by eruption of Taal volcano, south of Manila, on September 28. Volcanic ash covered a six-mile-square area. The death toll was estimated at 500.

10 *Price of War*—The number of casualties increased as the U.S. stepped up its military action in Vietnam. American advisors took part in many helicopter missions, carrying wounded soldiers, both Vietnamese and American, to copters on makeshift litters for evacuation to Saigon.

11 *Reason to Celebrate*—Chancellor Ludwig Erhard of West Germany waved to a cheering crowd in Bonn after his Christian Democrats surged to victory in the September 19 parliamentary elections. Mayor Willy Brandt's Social Democrats suffered defeat in the voting.

12 *Colonial Rule Shaken*—Rhodesian Premier Ian Smith broadcast a proclamation of sovereign independence for Rhodesia on November 11. The split from Britain was made in an attempt to insure a white minority rule of the African colony. It was the first such move against Britain since the American colonies broke away in 1776. Britain retaliated swiftly and took the problem to the U.N. Security Council, which asked all nations to enforce an oil embargo against the African colony.
